What Are We Learning

This month, students are learning that God is always good, even when life is difficult. Through the stories of Jacob and Joseph, they see how people made wrong choices and hurt one another, yet God never stopped working for good. Joseph faced betrayal, loneliness, and hardship, but God was always with him and used those challenges to accomplish His plan. In the end, God brought healing, forgiveness, and provision for Joseph's family. Our focus verse, Genesis 50:20, reminds us that God can turn hard situations into something good. We are encouraging students to trust God and show forgiveness to others.
