This Sunday – Fear of Violence

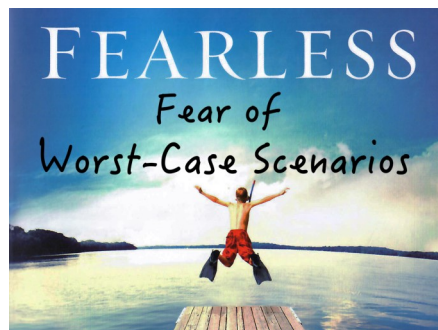

Not many in our time and place need fear violent persecution for our faith, but other acts of violence, especially the apparently the random acts of violence, can be especially frightening. Technology and education haven't managed to save us from the threat of harm at the hands of others. Scripture reassures us that we are much more than these physical bodies we wear, and of infinite value to God.

Sunday Scripture

I could go on and on, but I've run out of time. There are so many more—Gideon, Barak, Samson, Jephthah, David, Samuel, the prophets. . . . Through acts of faith, they toppled kingdoms, made justice work, took the promises for themselves. They were protected from lions, fires, and sword thrusts, turned disadvantage to advantage, won battles, routed alien armies. Women received their loved ones back from the dead. There were those who, under torture, refused to give in and go free, preferring something better: resurrection. Others braved abuse and whips, and, yes, chains and dungeons. We have stories of those who were stoned, sawed in two, murdered in cold blood; stories of vagrants wandering the earth in animal skins, homeless, friendless, powerless— the world didn't deserve them! —making their way as best they could on the cruel edges of the world.

Not one of these people, even though their lives of faith were exemplary, got their hands on what was promised. God had a better plan for us: that their faith and our faith would come together to make one completed whole, their lives of faith not complete apart from ours. Hebrews 11:32-40 (MSG)

Next Sunday, May 23 – Fear of Worst-Case Scenarios

Are you good at imagining the very worst-possible outcome when you're afraid of an uncertain future? Even the worst outcomes usually aren't as irreversible as we imagine. The prayer of Jesus in the Garden of Gethsemane shows us that holding fast to God is a much better strategy than fanning the flames of our fears.

Other Ministry Updates

Regathering Plan Update

The Governor surprised us all this week by announcing he intends to sign a new executive order on Friday! The details aren't available as we go to press. The Leadership Team will respond as quickly as possible to yesterday's announcement and issue an update. For now, please note the following good news on easing COVID precautions.

As of this Sunday, May 16, you'll notice that Bibles and hymnals have been returned to the sanctuary pews. You're welcome to use them as you like, and we'll continue projecting song lyrics on the screen. This will also be the last day we will host a Sunday Zoom fellowship hour.

Next Sunday, May 23, we'll have our fellowship time outdoors as part of the Walk for Hope.

Per the Governor's previous guidance, **by Sunday, May 30**, there will no longer be physical distancing requirements at church and no need to make reservations for worship or other regular ministry events. (**This MN requirement may be lifted sooner**, but we have not yet been able to see the language of the new Executive Order). There will be no more signs warning you to keep away from each other and we'll be able to gather together in the fellowship hall after church for conversation, although we won't yet be able to serve you treats or coffee. If you would like to eat or drink your own snacks during that time, you're asked to gather outside of the building.

The Governor was expected to remove the requirement for wearing face coverings indoors **no later than July 1**. It appears **this MN requirement may be lifted today**, but we're waiting to see the details of the executive order before revising our church policy. Please know that if you're someone who prefers to wear a mask and maintain physical distance, you're welcome to continue doing so regardless of State or church policy.

Join us for the 2021 Walk For Hope

Let's get together and show the world the power of walking the Extra Mile for students and families in Guatemala

on our church grounds on Sunday, May 23rd, at 10:15am! We are going to complete 5 laps around either the park or the parking lot (depending on what kind of surface you prefer walking on). What a great way to also celebrate the end of our Sunday School year and also the day of Pentecost, when the Holy Spirit ignited a new missional movement among God's people. Weather permitting, everyone is invited to join us at church after worship for this fun missional challenge!

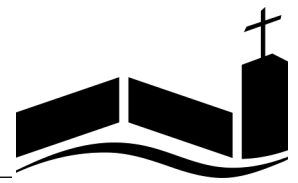

We are going to "**Make change**" for the families in Guatemala with our donations, so there are a few ways you can do that!

You can join our church team page [HERE](#). If you personally raise \$96, you will get a t-shirt!

1. There will be a table set up at the event so after you complete a lap, you can put some change in the jar as a donation.
2. You can make a donation directly on the team page above.
3. Do all of the above! After the walk we will have some pre-packaged snacks in the parking lot to celebrate being the feet of Christ! If you want to participate, but don't want to walk, that's ok too! You can cheer on the walkers!

Children's and Family Ministry Coordinator

Thank you to Maria Essen for serving as our interim Children's and Family Ministry Coordinator over this strange year of doing so many things remotely! Maria's last day on staff will be **Tuesday, May 18**. The SPRC will begin a search for a new Coordinator, with an emphasis on developing a strong return to in-person ministries for the fall. If you're interested in exploring the possibility of serving our families in this way, please contact Debbie Bishop, Ministry and Worship Coordinator. Debbie will also be the central point of contact for Children's ministries until the position is filled.
