This Sunday: We Pray and Prepare
Neh 4:9, Psalm 127:1 and 1Peter 5:2

Nehemiah reminds us that faithful people pray to God and also take practical steps to meet the needs and challenges before them. Scripture teaches us that all our planning and work must be grounded in God's presence, because unless the Lord builds and watches over us, our efforts are incomplete. We are called to care for one another willingly, eagerly, and faithfully as shepherds of God's people.

New Sermon Series Starts September 6th!

We often think of blessings as things we receive. While it is true that God, by grace, freely gives us all that we have, we are not just passive recipients of God's blessings. Just as God blesses us through people in our lives, so does God promise to bless others through us. When we live from a place of gratitude for God's gifts and trust in God's provision, we can be agents of God's blessing in our world.

Sunday School Needs YOU!

One of our biggest needs this year is **adult teachers and classroom assistants.** We truly need families to step up and help! The commitment is only once or twice a month (or more), and curriculum and lessons can be prepared for you. You don't need to be a Bible expert—just a caring adult willing to share God's love with our kids!
If you can help teach, assist, or lend a hand with Children's Ministry, please reach out to a member of the Children's Ministry Team.
